Choose one of the following conventions, protocols, or treaties to work on during the semester:

- Ending US involvement with negotiations related to the Kyoto Protocol on Climate Change.
- Violating the Non-proliferation of Nuclear Weapons Treaty by the US by developing new nuclear weapons.
- The US pulls out of the negotiations for a verification protocol under the Convention on Biological Weapons.
- The Convention on Biological Diversity was ratified by 188 countries in 1992; it has not been ratified by the US.
- Reversing a prior US commitment to ratify the Landmine Convention by 2006.
- The US withdraws from the Anti-Ballistic Missile Treaty.
- Nullifying the obligations of the US signature on the International Criminal Court.
- The US withdraws from the Vienna Convention a Protocol to Consular Relations.
- The US is the only country that has not ratified the Convention on the Rights of the Child (ensuring basic protections for children).
- The US withholds $34 million in congressionally appropriated funds meant to go the UN Population fund in support of the 1994 International Consensus on Population and Development.
- The US is the only Western democracy that signed the International Covenant of Economic, Social, and Cultural Rights in 1977 but has yet to ratify it. This covenant is one of the key treaties establishing binding obligations to honor the goals stated in the Universal Declaration of Human Rights.
- The US has not ratified the Convention on the Elimination of All Forms of Discrimination against Women (although 17 states have already done so).
- The US is attempting to add provisions to the Basel Protocol on Hazardous Wastes that would allow for the export of toxic materials by defining them as “materials to be recycled”.
- Other suggestions?
